Q

A Letter and a Vaccine Ticket Arrived from the Government Office - What do I do Next?

A 1. Make a Vaccination Reservation.

Reservations can be made over the phone or internet.

2. Get your Vaccination Where You Reserved it.

Vaccines are administered to the upper arms, so please wear clothing that will easily allow for this.

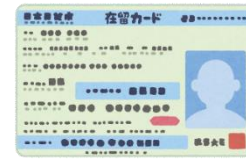

Please bring the following when you get vaccinated:

- Your vaccine ticket
- Personal identification (such as a residence card or passport)

+

+

- Pre-vaccination Screening Questionnaire

3. You will get two vaccination shots.

※You will need to make another reservation for your second shot.

Booking methods (for your first and second shots) and things to take with you will vary depending on where you live.

Please carefully read the letter from the government office.

Please call and ask your local government office if there is anything you are not sure about.
